NEW MEMBERS

Please join me in welcoming Bill Keffer to the Capitol Group. Bill represented Dallas County in the House for two sessions in 2003 and 2005. He and Jim Keffer are the first brothers to serve together in the House since WWII. See the below attachment from the Corpus Christi Caller-Times from 2003 about Jim and Bill.

Bill is currently on the faculty at Texas Tech University School of Law. Bill, great to have you with us!

**Rep. William R. "Bill" Keffer
2003 - 2007
78th -79th
Dallas County
Endowed Professor of Energy Law
Texas Tech University School of Law**

EDITORS NOTE

As you may recall we have been trying for some time to make improvements to the existing platform. One of them is to make earlier editions of the Post available to any of you who may wish to browse due to it being too cold, hot, wet or otherwise too dreary to play golf. This does not include Charlie Evans, Jim Rudd or Terral Smith but it does include Brad Wright and Bobby Joe Glasgow.

Anyway we are now going to be able to fix this issue thanks to the Legislative Reference Library and the Director, Mary Camp. We are digitizing all the past issues and soon you will be able to scroll through them on the LRL website.

Of course we are not sharing email addresses or private conversations to protect your privacy.

We will keep you "posted."

Mike
